Forecast for Saturday 10 Jul 2021

Weather: A cloudy morning with extensive low cloud and some patchy drizzle. Low cloud dissipating in the early afternoon, but may linger across the more northern Angus hills and southern Cairngorms well into the afternoon. A few heavy showers may break out across the Ochils and the Perthshire hills in the early afternoon, the odd one reaching Deeside by late afternoon. Showers only slowly dissipating in the evening. Rather warm and humid in afternoon sunshine.

Chance of cloud free mountain/hill tops above 800m: 60%

Visibility: Poor in extensive low cloud between 300 and 500 metres in the morning. This clearing in the afternoon with visibility becoming mainly good.
